

Free Webinar: Five frequently asked questions to the BDA Helpline

This presentation will outline the five most frequently asked questions from parents who want to support their children at home. The webinar will provide ideas and guidance as to how to support learners at home with their studies. Different types of technology and software that help learners who have dyslexia will be discussed.

Time

Thursday 28th January 2021
7:00pm - 8:00pm

Location

Online

- Reading - Techniques and strategies to help with reading at home and types of books that could be useful
