

Rimrose Hope CE Primary School

Promoting British Values Policy

Our Vision

Faith in our children, the hope for the future

Rimrose Hope Church of England Primary is a school that embraces a Christian ethos and values the individual.

We encourage and expect care and respect for one another, ourselves and the environment.

We aim to motivate and challenge all members of the school community in a secure and exciting learning environment. All staff and governors at the school work towards our mission 'Faith in all our children - the Hope for the future.'

We aim to prepare children for a diverse society and to take an active role as a global citizen. We seek to develop and promote a life-long love of learning that ensures everyone reaches his or her full potential.

We aim to nurture particular gifts and talents through excellent teaching of pupils and continuing professional development of adults.

Rationale

Rimrose Hope CE Primary School has an obligation under section 78 of the Education Act (2002) which requires all schools, as part of a broad and balanced curriculum, to promote the Spiritual, Moral, Social and Cultural (SMSC) development of students at the school.

In June 2014, the Secretary of State for Education announced that schools would be required to actively promote British values from September 2014.

The DfE have recently reinforced the need "to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values."

The government originally set out its definition of British values in their 2011 Prevent Strategy and the Prime Minister has reiterated these this year.

The British Values are defined as:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect
- Tolerance of those with different faiths and beliefs

At Rimrose Hope CE Primary School we are committed to actively promoting British values and this forms part of our wider work in school with children in relation to their Spiritual, Moral, Social and Cultural education (SMSC).

Aims and Objectives

At Rimrose Hope CE Primary School we aim to:

- Actively promote the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs
- Encourage pupils to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.
- Ensure that principles are actively promoted which:

- Enable pupils to develop their self-knowledge, self-esteem and self-confidence
- Enable pupils to distinguish right from wrong and to respect the civil and criminal law of England
- Encourage pupils to accept responsibility for their behaviour, show initiative and understand how they can contribute positively to the lives of those living and working in the locality in which the school is situated and to society more widely
- Enable pupils to acquire a broad general knowledge of and respect for public institutions and services in England
- Promote further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of and respect for their own and other cultures
- Encourage respect for other people, paying particular regard to the protected characteristics set out in the Equality Act 2010
- Encourage respect for democracy and support for participation in the democratic process, including respect for the basis on which the law is made and applied in England
- Prevent the promotion of partisan political views in the teaching of any subject in the school and take such steps as are reasonably practicable to ensure that where political issues are brought to the attention of pupils they are offered a balanced presentation of opposing views. This should be:
 - While they are in attendance at the school
 - While they are taking part in extra-curricular activities which are provided or organised by or on behalf of the school

- In the promotion at the school, including through the distribution of promotional material, of extra-curricular activities taking place at the school or elsewhere
- Protect children and young people against the messages of all violent extremism including but not restricted to those linked to Islamic ideology, Far Right/Neo Nazi/White Supremacist ideology.
