

We're going to the zoo, zoo, zoo.

Dear Parent, Here is a last minute reminder for our trip to Chester Zoo.

Times:

We will be departing at 9:15 am and returning for the end of the school day at 3:00 pm. Children will be dismissed from their classroom in the normal way. There are no infant after school clubs running on Tuesday 11th June.

Clothing:

School uniform must be worn. As is usual at this time of year we may need sun cream and hats and waterproof coats at the same time, so please ensure your child is well prepared. (As it stands rain is forecast, so please make sure your child has a waterproof and if your child attends FFK, they may need a change of clothes at the end of the day.)

Food:

Children cannot eat on the coach though they may drink water. Please don't pack cans or fizzy drinks. Chewing gum is not allowed in school or on school trips. The children will have time for a morning snack as well as their packed lunch. Please pack lunches into carrier bags clearly labelled with your child's name. We throw our packed lunch bags away after lunch so that the children are not walking around carrying them all day, so please do not send any items (lunch boxes etc) that you want to keep.

School Meals

All infant children are entitled to a free school packed lunch. You must let the office know by tomorrow (7/6) if you would like one for your child.

Spending Money:

We have agreed that the children can bring £4 to spend on an ice cream. **Children in infant classes should put their money in an envelope with their name on it and hand it to the class teacher.**

Medication:

Please ensure that your child brings his/her inhaler on the trip. These can be handed to the group leader. Travel sickness tablets are usually taken 1 hr before the journey. I will administer the travel sickness medication for the homeward journey, so please pass it straight to me.

And finally...

I am sure your children are going to have a great time, they are very excited at the thought of the whole infants venturing out together on an enjoyable trip, please remind them to stay with their group leader and to make sure that they behave sensibly and listen politely to the adults in charge.
