

November 2022

Dear Parent,

May I remind you of the important events happening over the next month leading up to Christmas. After school clubs (excluding FFK) will **not** take place during the week beginning Monday 12th December.

All of these dates are available on the website www.rimrosehope.co.uk Please note that if you are having trouble finding this site on Google then just type the above into the address bar at the top of the web page.

Please can I respectfully ask parents not to buy gifts for teachers or support staff this Christmas time. If you would like to write a letter of thanks or send a Christmas card, that would be greatly appreciated by all staff, but please do not show your gratitude through gifts.
