

## “Feedback Fridays”

Dear Parent,

I am writing to inform you of a new initiative we are launching in the summer term. We would like to invite you to come into school on a Friday morning to have a look at your child’s work and talk to them about the progress they are making and the topics they are covering.

We would like to make Feedback Friday a regular, informal and informative event for parents to keep up to date with children’s progress.

This will be a chance for you to pop into class 8:45 – 9:10 am and have a look through your child’s current book/s. It’s not a parent-teacher meeting (your child’s teacher will be working) but it will be a chance for you to keep up to date with how your child is doing in school.

Our lessons will begin at 9:10 am and all parents are invited to come to the hall for a coffee and a Danish and a chat with Mr Crilly and Mrs Pollard the school learning mentor.

It will be a great motivator to your child to know that you will be popping in to see their work, and it will be a nice way for parents to ease their way back into school after the long Covid related absence. I hope to see you soon.

These dates will not affect our parents’ evening dates. We will continue to offer a date in September and July for more formal feedback to parents.
